Performance of ETTDC Ltd.

345. SHRI S. RAMACHANDRAN PILLAI: Will the MINISTER OF ELECTRONICS be pleased to state:

(a) the details of the orders received and executed by the information and Technology Division of Electronics Trade and Technology Development Corporation Ltd. for the value of more than Rs. 1.00 lakh during the year 1996-97 and 1997-98;

(b) the details of profit and loss in each order received by the Corporation;

(c) whether the Corporation has received any order from Delhi Development Authority; and

(d) if so, the details of the order received and executed alongwith the details of the profit/loss incurred?

THE MINISTER OF EXTERNAL AFFAIRS AND MINISTER OF ELECTRONICS (SHRI JASWANT SINGH): (a) The details are given in the enclosed statement. (*See* below)

(b) ET&T Ltd. operates on margin basis. As it has to operate in competition with multinational and other private companies, margin ranges between 5 to 15% depending on the specific products/services to be provided.

(c) and (d) Yes, Sir. ET&T received an order from DDA for computerisation of their system and Training Division in September, 1994 for over Rs. 20 lacs for supply of Server, Distant Nodes, terminals, peripherals, Software, Commissioning and training etc. ET&T completed the project during 1995. In this order ET&T made a margin of about 5 to 6%.
